## NORTHERNRIVERS

Founded where the Mohawk and Hudson meet, like the rivers that shaped our region, Northern Rivers Family of Services helps change lives by shaping the future of those we serve throughout the Capital Region and beyond. Northern Rivers is a family of human services agencies that work together and are committed to helping children, adults, and families.

Formed in 2012, Northern Rivers is the parent organization to Northeast Parent & Child Society (founded in 1888 in Schenectady), Parsons Child & Family Center (founded in 1829 in Albany), and Unlimited Potential (founded in Saratoga Springs in 1979). Together we serve more than 16,000 children, adults, and families across 35 counties in New York state who struggle with abuse, neglect, trauma, mental health challenges, educational difficulties, career training and employment, and service navigation through an innovative continuum of home-, clinic-, school-, and community-based vocational rehabilitation, supported employment, and senior-supporting programs that provide person-centered, trauma-informed innovative solutions to ensure clients live their best lives.

With a 1,400-strong workforce and informed by our nearly 200-year heritage, our quality of care, depth of programs, combined size, and passion for the mission make us a leading human services provider.
